- 1 Virtual Wallet Student has no minimum balance requirement or monthly service charge for active students for six years from the date your account is opened. At the end of the six year period, your account will be subject to the features and fees as described in the Virtual Wallet Features and Fees in effect at that time. Customer may be required to provide proof of active enrollment in a qualifying educational institution.
- 2 *Each Virtual Wallet Student product will be reimbursed for the first two (2) domestic or international non-PNC Bank ATM transaction fees applied to transactions made from your Spend, Reserve or Growth accounts each statement period. After the first two transactions a fee of \$3.00 per transaction will apply at non-PNC Bank ATMs within the United States, Canada, Puerto Rico and the U.S. Virgin Islands, and a fee of \$5.00 per transaction will apply at non-PNC Bank ATMs in all other countries.
* Other financial institutions' ATM surcharge fees will be reimbursed up to \$5.00 per statement period. Includes total combined fees from your Spend, Reserve or Growth accounts reimbursed to your Spend account. Fees in excess of \$5.00 per statement period will not be reimbursed.
*Transactions include withdrawals, deposits, transfers and balance inquiries. *If a debit card replacement is required the fee is \$7.50, or \$10.00 for certain affinity cards.
- 3 The fee applies to Overdraft Items and Returned Items. An Overdraft Item fee is charged when the item is paid. A Returned Item (also known as Non-Sufficient Funds or NSF) fee is charged when the item is returned unpaid.
Standard Overdraft Practices for All Accounts (Default):
If your account balance is not enough to cover a withdrawal from your account:
 - Overdrafts for checks, automatic bill payments or other transactions using your account number may be authorized and paid, on a case by case basis. Standard overdraft and returned item fees apply.
 - Overdrafts for ATM transactions or everyday one-time check card transactions are not authorized and paid, unless you allow PNC to do so. These are declined at no cost.
 - Overdraft Balance Threshold is \$5.00. If your account is overdrawn by \$5.00 or less after all transactions are posted for the day, any overdraft item fees for that day will be automatically refunded.
 - Maximum Number of Total Overdraft and Returned Item Fees per Day is 4. No more than 4 total fees will be charged per business day.
- 4 Virtual Wallet Student accounts will receive an automatic courtesy refund of the fee for the first Overdraft or Returned Item event. Although the fee may be refunded, the transaction will be considered an overdraft or nonsufficient funds (NSF) occurrence when determining any subsequent overdraft or NSF fee. You will be responsible for paying the overdraft balance and the Continuous Overdraft Fee may apply if the account remains overdrawn after the first event.

Charged per day your account remains overdrawn for a period of 5 or more consecutive calendar days, up to a maximum of \$98.00 (in addition to any other fees assessed.)
